150 sq.m. | Bathrooms: 2 | Bedrooms: 2 | Rooms: 6

We are honored to present a property that transcends mere residence, offering a living experience steeped in history and beauty. This exclusive 134 sq m apartment nestles within a remarkable historic building, majestically overlooking Piazza Priori, the true institutional meeting place of Narni's medieval center.

Upon entering, you're immediately greeted by an atmosphere of rare elegance. The State Room is the beating heart of the home, a space where time seems to have stood still, thanks to its magnificent, entirely frescoed vaults. These artistic details are not merely decorative elements, but silent witnesses to a glorious past, capable of conveying a feeling and prestige that few properties can offer.

Adjacent to the living room is the eat-in kitchen, a generous and welcoming space designed for socializing and preserving the most precious moments of everyday life. The sleeping area is designed to ensure serenity and privacy, consisting of two large, bright bedrooms and two modern, functional bathrooms, as well as a practical storage closet for optimal space organization.

The true luxury, however, lies outside: a splendid habitable terrace. This private and sunny space is a true gem in the historic center, offering the opportunity to enjoy al fresco dining, moments of relaxation, or simply a cup of coffee with a picturesque view of the ancient rooftops. Completing this charming offering is a convenient cellar.

This residence represents a lifestyle choice: the opportunity to live in a setting of unparalleled historical and artistic value,

without sacrificing the comforts of a spacious and welcoming space. It's the ideal address for those seeking an artistic retreat or a prestigious investment in Umbria.
