

Agricultural Land for sale in Narni Morellino € 7.000 Ref. 237

3.400 sq.m.

The agricultural land for sale is located in the charming countryside of Narni, in the Morellino area.

It is a hilly terrain, perfect for agricultural crops thanks to its position and composition.

The plot covers approximately 3,400 square meters, featuring fertile, well-drained soil, ideal for growing a variety of plants.

The land is completely surrounded by a beautiful hilly landscape, which creates an atmosphere of tranquility and relaxation.

The land has convenient and easy access, allowing easy transit of agricultural vehicles for working the land.

Furthermore, there is a natural water source that guarantees excellent irrigation for the crops. Thanks to its strategic location, the land enjoys a favorable climate for growing olive trees, fruit trees, and various vegetables.

In short, this agricultural land for sale in Narni, in the Morellino area, is the ideal opportunity for anyone looking to start a farming business in a natural and picturesque setting, where quality produce and tranquility are guaranteed.
