Historic Gem in Camaione: Renovated Two-Room Apartment with No Condominium Fees (Great Investment!)

Just steps from the center of Camaione, in a charming 19th-century building with no condo fees, this fully renovated top-floor two-bedroom apartment is a real bargain. The historic building welcomes you with stone staircases and period arches, introducing you to an apartment characterized by splendid exposed beams and breathtaking panoramic views of the rooftops and hills.

The interior space is compact yet well-optimized, with a living/kitchen area, bedroom, and bathroom. It's the perfect "love nest" for singles or couples, but above all, it represents a high-yield investment: its proximity to all amenities makes it ideal for renting.

Furthermore, at the back of the building, it is possible to purchase a convenient warehouse, very useful for storage or for bicycles and motorbikes.
