€ 75.000

Ref. 75828

94 sq.m. | Bathrooms: 1 | Rooms: 1

Within the cyclopean walls that surround the ancient small town of Amelia (APCA), in Umbria, we are selling a delightful apartment or "piet a terre" (a townhouse) for relaxing weekends. The property is located on one of the most characteristic streets that ascend the ancient historic center to the highest point of Amelia, where the cathedral and dodecagonal bell tower are located. The apartment is on the first floor and upon entering, we find a large living room, from which one can admire the panoramic view of the Amelia valley (west-facing), the kitchen area with fireplace, and the bathroom. On the first floor, there is a large, habitable open loft with a bedroom and study area. The roof and the apartment were renovated shortly before 2000.
