

Agricultural Land for sale in Vasanello

€ 25.000

Ref. 78994

2.000 sq.m.

This agricultural land for sale is located in the beautiful countryside of Vasanello, immersed in an atmosphere of peace and tranquility.

Located on a flat area, it offers a total area of 2,000 square meters, of which all 2,000 are usable for agricultural purposes. The land surface is ideal for growing various crops, thanks to its flat location, which facilitates agricultural activities.

The land is fertile and well-maintained, offering an excellent opportunity for those wishing to start a farming business or expand their existing business. The surrounding area boasts enchanting panoramic views, with rolling hills and centuries-old trees that make the landscape even more picturesque.

Furthermore, its proximity to the town of Vasanello is a significant advantage, facilitating access to necessary services and infrastructure. This land is ideal for those seeking a large and versatile space to successfully cultivate their passions and projects.

Don't miss the opportunity to own a piece of land in one of the most beautiful and historic areas of Lazio.
