GALLIPOLI - CORSO ROMA AREA - INDEPENDENT GROUND FLOOR

In a very central area, just a few meters from Corso Roma and Lungomare Galilei, a ground-floor apartment with independent access is for sale.

The property covers approximately 82 square meters and comprises an entrance hall leading to a large living room with a pavilion vault and original cement tiles, a hallway, an eat-in kitchen with a pavilion vault and direct access to a comfortable 15 square meter shared outdoor space, a double bedroom, a bathroom, and two storage rooms.

The apartment requires a general renovation that would maximize the available space and highlight the beauty of this home's distinctive features, such as the original flooring and historic vaulted ceilings. A better layout would allow for the creation of two bedrooms and a second bathroom.
